

Curriculum vitae

Name: Ruby Susana Kujur
Designation: Scientist-E and Head, Extension Division
ICFRE-Institute of Forest Productivity
Ranchi Gumla N.H-23
Lalgutwa, Ranchi- 835303
Jharkhand.
Contact 8651739376
Email ID: kujurrs@icfre.org, ruby.kujur@gov.in
Experience: 22+ years (since April 2003)
Discipline/ Specialization: Computer Applications and Environmental Science
Domain of Research/Consultancy Biodiversity Conservation and Eco-rehabilitation of degraded lands

Educational Qualification

Degree	University/Institution	Year	Discipline	Division
M.Sc.	Nalanda Open University, Patna (Distance Education)	2018	Environmental Science	First
M. Sc.	ICAR- Indian Agricultural Research Institute, New Delhi	2001	Computer Applications	First
B. Sc. Agri. Hons.	Banaras Hindu University, Varanasi	1998	Agriculture Honours	First
Higher Secondary	Central Board of Secondary Education (CBSE)	1994	Hindi, English, Physics, Chemistry, Biology, Mathematics	First
Matriculation	Central Board of Secondary Education (CBSE)	1992	Hindi, English, Sanskrit, Science, Social Sciences, Mathematics	First

Academic or Professional Awards/Recognition

- ❖ Board member of the Board of Studies (BOS) as External Expert (Allied Field) of the Department of Botany, Jamshedpur Women's University, Jamshedpur.
- ❖ Co-chaired technical Session on theme: Ethno medicinal uses of plant resources during National Seminar on “Cultivation, Conservation and Sustainable Utilization of Medicinal Plants in North Bengal” organized by ICFRE-Institute of Forest Productivity on 14th March, 2024 at Siliguri, West Bengal.
- ❖ Awardees of Junior Research Fellowships during Master’s Programme from ICAR-Indian Agricultural Research Institute, New Delhi from 1999-2001.

Research Paper(s) published

1. Sircar, Sumita, **Kujur, R.S.**, Sindhuveerendra, H.C, Saha, A.K. (2012). Dynamics of Lac Market in India: Lac Prices at Growers’ Level, In Proceedings of IUFR0 Conference (Forest Products), 8-13 July, 2012, Estoril Congress Centre, Lisbon, Portugal.
2. Sircar, S., Saha, A. K., Veerendra, H. S., and **Kujur, R. S.** (2013). Lac Cultivation in India: Lac Prices at Growers Level. *Indian Forester*, 139(9), 821-825.

Book chapters:

1. **Kujur, R.S.**, Munda, S.S., Kumar, A., Rathna, V., Lall, R.R. (2025). **Sacred Grove: A Reservoir of Plant Diversity and Conservation**. In: Kalia, R.K., Pathak, R. (eds) *Tree Biology and Biotechnology*. Springer, Singapore. https://doi.org/10.1007/978-981-96-0002-1_9
2. **Kujur, R.S.** and Lall, R.R. (2013). Lac Market: An Overview. In *Prospects of Scientific Lac Cultivation in India*, 263-269. ICFRE-Institute of Forest Productivity.

Ongoing Projects

1. Principal Investigator of the project entitled “Green belt/Shelterbelt development around ash ponds of Koderma Thermal Power Station (KTPS), Koderma. Funding Agency: DVC-KTPS, Duration: 4 years (2024-2028), Total Budget Outlay: Rs. 87.93 lakhs
2. Developing theme-based green belt in and around Koderma Thermal Power Station (KTPS) township through different forestry interventions. Funding Agency: DVC-KTPS, Duration: 6 years (2024-2030), Total Budget Outlay: Rs. 41.05 crores
