

Curriculum vitae

Name: Dr. Bablee Kumari Singh

Designation: Scientist B, Division of Forest Ecology and Climate Change, ICFRE- Institute of Forest Productivity, Ranchi, Jharkhand-835303

Contact No.: +91-7667161744

Email ID: bablees@icfre.org

Experience: 2+ Years (Since 25.09.2023)

Domain of Research/Consultancy

- ❖ Eco-rehabilitation of mined areas

Educational Qualification

Degree	University/Institution	Year	Discipline	Division
Ph.D.	ICAR- Indian Agricultural Research Institute, New Delhi	2024	Molecular Biology and Biotechnology	First
M. Sc.	ICAR- Indian Agricultural Research Institute, New Delhi	2017	Molecular Biology and Biotechnology	First
B. Sc. Agri. Hons.	Uttar Banga Krishi Viswavidyalaya, West Bengal	2015	Agriculture Honours	First
Higher Secondary	Central Board of Secondary Education (CBSE)	2010	Hindi, English, Physics, Chemistry, Biology	First
Matriculation	Central Board of Secondary Education (CBSE)	2008	Hindi, English, Sanskrit, Science, Social Sciences, Mathematics	First

Academic or Professional Awards/Recognition

- 2011: Recipient of National Talent Scholarship (NTS) by Indian Council of Agricultural Research (ICAR) during B.Sc. (Agriculture Honours) degree
- 2015: Recipient of ICAR-Junior Research Fellowship (All India Rank: 2 in Plant Biotechnology) during M.Sc. (Molecular Biology & Biotechnology) degree
- 2017: Qualified for ICAR-Senior Research Fellowship by Indian Council of Agricultural Research in Agricultural Biotechnology discipline
- 2017: Qualified for ICMR-Junior Research Fellowship by Indian Council of Medical Research in Life Sciences discipline
- 2017: Qualified and Aailed CSIR- Junior Research Fellowship by Council of Scientific and Industrial Research in (All India Rank: 61 in Life Sciences discipline) for research work on 'Molecular characterization of genes governing heat tolerance in rice' for Ph.D. thesis

- 2017: All India Rank 4 in Ph.D. Entrance Examination of ICAR-Indian Agricultural Research Institute, New Delhi (Molecular Biology and Biotechnology)
- Department of Biotechnology- JRF (Category-I) Qualified
- GATE (Graduate Aptitude Test in Engineering) in Life Sciences discipline: Qualified 2 times.
- ICAR-NET in Agricultural Biotechnology: Qualified 3 times
- 2023: Recruited with All India Rank: 1 in Biotechnology discipline as Scientist B in Indian Council of Forestry Research and Education

List of Publications

Research Paper(s) published

- **Singh, B. K.**, Ramkumar, M. K., Dalal, M., Singh, A., Solanke, A. U., Singh, N. K., & Sevanthi, A. M. (2021). Allele mining for a drought responsive gene DRO1 determining root growth angle in donors of drought tolerance in rice (*Oryza sativa* L.). *Physiology and Molecular Biology of Plants*, 27(3), 523-534.
- **Singh, B. K.**, Venkadesan, S., Ramkumar, M. K., Shanmugavadivel, P. S., Dutta, B., Prakash, C., ... & Sevanthi, A. M. (2023). Meta-analysis of microarray data and their utility in dissecting the mapped QTLs for heat acclimation in rice. *Plants*, 12(8), 1697.
- Kumar, D., Mulani, E., **Singh, B. K.**, Dutta, B., Singh, A., Solanke, A. U., & Sevanthi, A. M. (2024). Understanding the role of miRNAs in governing the drought sensitive response of a rice mega variety, Swarna at reproductive stage. *Plant Stress*, 11, 100302.
- Dutta, B., Kumar, D., **Singh, B. K.**, Kumar, A., Gaikwad, K., Chinnusamy, V., ... & Sevanthi, A. M. (2025). Unveiling genomic diversity of glycolipid transfer protein (GLTP) gene family in rice: The lipid connection to climate resilience. *International Journal of Biological Macromolecules*, 146747.

Book Chapter (3)

- Roy, D., Patil, K., **Singh, B. K.**, & Pabbi, S. (2026). Metabolomics-Based Development for Microalgal Pigments Production. In *Pigments from Microalgae Handbook–Volume II: Bioprocess Engineering, Smart Extraction Technologies, Omics Tools, and Sustainability-Driven Innovations* (pp. 341-363). Cham: Springer Nature Switzerland.

Ongoing (Recent) Project

- Principal Investigator of the project entitled 'Eco-restoration of mined out areas and waste dumps at Meghahatuburu Iron Ore Mines, SAIL in Saranda Forest Division, West Singhbhum District of Jharkhand.' Funding Agency: Steel Authority of India Limited (SAIL), Duration: 5 years (2021-2026), Total Budget Outlay: Rs. 99.34 Lakhs
- Principal Investigator of the project titled 'Rehabilitation of the 40-hectare mined-out area of Meghahatuburu Iron Ore Mine through forestry interventions'. Funding Agency: Steel

Authority of India Limited (SAIL), Duration: 5 years (2024-2029), Total Budget Outlay: Rs. 576.725 Lakhs

- Principal Investigator of the project entitled 'Ecological restoration of 16-hectare waste dumps, barren and safety zone areas of Gua Ore Mine through forestry interventions'. Funding Agency: Steel Authority of India Limited (SAIL), Duration: 5 years (2025-2030), Total Budget Outlay: Rs. 260.544 Lakhs
